Open Plan Office To Let In Century City

Located right in the middle of the forever-growing Century City, SAProperty.com House is newly renovated and available immediately. Quickly becoming a major commercial hub in Cape Town, with easy access to the N1, M5, and N7 as well as public transport links, Century City is occupied by hotels, conference centres, schools, shopping centres, and gyms.

The building has uncovered and basement parking. The offices have balconies and communal canteen facilities leading out to the canal.

This ground floor office is 342sqm.
